

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings of claims in the application:

LISTING OF CLAIMS:

1. (original): Energy-imparting amino acid composition or amino acid solution containing glutamine comprising proline, alanine, valine, isoleucine, lysine and the glutamine.

2. (original): The energy-imparting amino acid composition or amino acid solution as claimed in claim 1, wherein the respective amino acids are contained in such ratios as 4 to 30 moles of the proline, 0.1 to 12 moles of the alanine, 4 to 8 moles of the valine, 3 to 9 moles of the isoleucine, 5 to 11 moles of the lysine and 0.1 to 4 moles of the glutamine.

3. (original): Energy-imparting amino acid composition or amino acid solution containing glutamine comprising proline, alanine, valine, isoleucine, lysine, the glutamine and citric acid.

4. (original): The engery-imparting amino acid composition or amino acid solution as claimed in claim 3, wherein the respective amino acids are contained in such ratios 4 to 30 moles of the proline 0.1 to 12 moles of the alaine, 4 to 8 moles of valine, 3 to 9 moles of the isoleucine, 5 to 11 moles of the

lysine, 0.1 to 4 moles of the glutamine and 5 to 50 moles of the citric acid.

5. (currently amended): The energy-imparting amino acid composition or amino acid solution as claimed in ~~any one of claims 1 to 4~~ claim 1, further comprising a glutamine-stabilizing sugar.

6. (currently amended): The energy-imparting amino acid composition or amino acid solution as claimed in ~~any one of claims 1 to 5~~ claim 1, further comprising at least one C<sub>60</sub>Q10 and vitamin-mix RD-V.

7. (currently amended): Energy-imparting amino acid composition or amino acid solution containing glutamine comprising a plurality of essential amino acids, the glutamine and glutamine-stabilizing sugar.

8. (new): The energy-imparting amino acid composition or amino acid solution as claimed in claim 3, further comprising a glutamine-stabilizing sugar.

9. (new): The energy-imparting amino acid composition or amino acid solution as claimed in claim 5, further comprising at least one C<sub>60</sub>Q10 and vitamin-mix RD-V.

10. (new): The energy-imparting amino acid composition or amino acid solution as claimed in claim 3, further comprising at least one C<sub>60</sub>Q10 and vitamin-mix RD-V.
